

Corporate Partnership with the Atlanta Community Food Bank

Design your corporate partnership to help end hunger in metro Atlanta and north Georgia!

Imagine not knowing how to put your next meal on the table, or having to choose between paying rent and buying food. In our own backyard, for nearly 900,000 individuals in need, this is a reality. Children are going to bed hungry, seniors have to

make tough choices between paying for healthcare or groceries, and hardworking individuals with multiple jobs are still struggling to feed their families.

To change lives locally, one meal at a time, we need your help. The Food Bank is committed to creating a mutually-beneficial partnership with your business.

Let's get started today.

Invest in Hunger Programs

Ask about supporting our education, senior and child nutrition programs. For every \$1 donated we can provide 4 meals to our hungry neighbors.

Volunteer Opportunities

Volunteering is a great team building activity. Volunteers help sort and pack food for hungry neighbors. Children age 8 and older can participate.

Online Food & Fund Drives

Take the heavy lifting out of food drives with an online Food & Fund Drive! This is a fun, easy way to support hunger relief efforts with a few easy clicks.

Plan an Offsite Retreat

Host your next corporate meeting or team building activity with us! We can accommodate groups from 10 to 300 people in our multiple meeting spaces.

Sponsor a Special Event

Sponsoring one of our signature events provides your company with great visibility, association with a well-respected charity, and opportunity to entertain clients. We can work together to design your own event to raise funds to end hunger.

Employee Giving / Matching Gift

Get involved by hosting an employee giving campaign or promoting your matching gift program.

Cause Marketing

A great way to align your brand with a cause to produce profitable and societal benefits for your company while raising awareness of hunger in our community.
